FINISHING SCHOOL PROGRAMME

Day 1

June 22, 2021

The very first day of the Finishing School Programme started with the College Shabad as per the college rituals. After taking blessing from the almighty, Dr. Pargat Singh Garcha the Principal of the College gave a brief introduction about the objectives of the finishing school programme. He also provided an overview of the topics to be covered and the brief introduction about the esteemed resource persons invited to enlighten the students.

Dr. Ramandeep Kaur, the coordinator for the session, introduced the Resource person for the day 'Dr. Mandeep Kaur, Associate Professor BTTC Mumbai'. Dr. Mandeep deliberated on the topic '**Developing Talents – Magnifying I, Me, Myself**'.

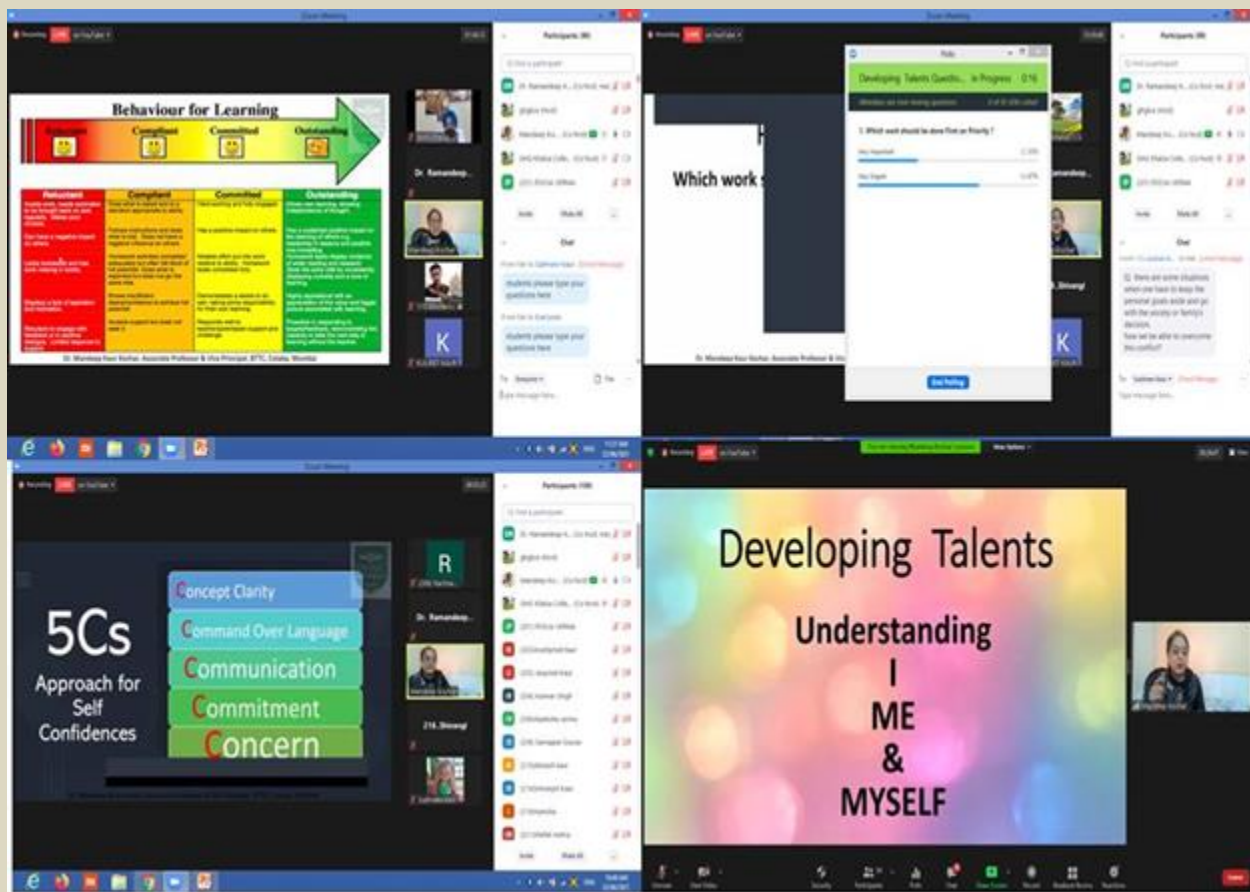

Dr. Kochar briefly explained various Personal development skills that we all need to be a successful teacher. She said that we need a self-analysis to know the areas where we are lacking, and thus making required changes in our behaviour and personality. She motivated students to be focused on transferable skills that make them a competitive candidate for any job. She also talked about knowing one's strengths and weaknesses, thereby focusing on self enhancement. Polling questions were the part of this presentation which made this event more interesting.

Points that caught the audience's attention were, respecting one's own decisions and choices, taking constructive advice etc. The resource person briefly explained about the importance of talent and self-confidence. Dr. Mandeep briefly explained about the 5 C approach of confidence which is concept clarity, command over language, communication, commitment, and concern. She asked students to get information about the Dunning Kruger effect and self-determination theory which can help them further to understand themselves.

At last, she explained about Behaviour for Learning, as it emphasizes the crucial link between the way in which students learn, their social knowledge and their behaviour..

A question -answer session was held at the end of the presentation where students asked their queries.

Ms. Sukhdeep Kaur,(B.Ed Sem - IV) presented vote of thanks at the end of the session. The whole session was conducted under the guidance of Dr. Ramandeep Kaur, Dr. Jasbir Kaur Sarna, Dr. Jasvir Kaur and Mr. Gurpratap Singh.

Sir discussed how the government, employees, students and local people constitute the community for school and emphasized that all of these four work together to make an educational institution a successful one.

Sir said that if we want to make a change, initially the community may not stand with us but our commitment, dedication and hard work will lead them to connect with us.

Taking the best out of each student and sharing this with the community will definitely help an institution to connect with the society at large. Dr. Amandeep said that we must do some extra work other than teaching to revive the lost glory of our government institutes. While sharing his own experience Sir said that he had a vision that he shared with his team and all of them worked together and achieved success in their endeavours. He further shared that his school is now a talk of town in his area and all this is possible because of his vision and the full support of the community.
