A man of action, Dr. Dhillon believes in two-words theory that 'Work Works' and aims at providing quality education compatible with International Standards.

Let me once again express my heartfelt gratitude to Dr. Jaswinder Singh Dhillon for accepting our invitation as Chief Guest of the Day.

One more year has been added to the glorious saga of G.H.G Khalsa College of Education. Today, is the day of retrospection as I present before you the Annual Report of 2018-19 which articulates and demonstrates the dynamic nature of our college, our commitment to excellence and our relentless pursuit of achieving our best. Our teachers are reflective and responsive to students' needs and there is quality commitment from our college towards community. The Annual report of our college appries you all, how the Mission and philosophy of the G.H.G Khalsa College of Education materialized positively in the voyage of the discovery of excellence in the field of education.

ABOUT THE COLLEGE

The foundation stone of this historic institute was laid way back in 1921. This college has a proud heritage of excellence and innovation. This prestigious institute is blessed as it stands in the name of the **Sixth Guru, Guru Har Gobind Sahib Ji**, who donned the swords of Miri-Piri that symbolize spiritual and temporal authority. The story of its growth from a small institution in the pre-independence India to a well-established 'Seat of Learning' of the present times is a saga of dedication, conviction and vision of Late Nihang Shamsheer Singh who worked against all odds and saw it growing step by step. This pious place was converted into Gurmukhi Pathshala in 1921 which he preferred to call a college. The Pathshala flourished into a High School by the year 1928 and with his untiring efforts an intermediate college was started in 1948 which became a degree college later on.

It was in the year 1955 that the present G.H.G Khalsa College of Education came into being and the herculean task of training the ‘Nation Builders’ was started with the establishment of B.T and a sanctioned strength of 100 seats. The College attained the stature of post-graduate institution with the inclusion of M.Ed. in 1982.

At present, the college has a sanctioned strength of 100 seats of B.Ed. and 50 for M.Ed. course. It is permanently affiliated to Panjab University, Chandigarh, is recognized by the N.C.T.E and has been accredited with **Grade ‘A’** (i.e. Very Good College) by NAAC i.e. National Assessment and Accreditation Council, Bangalore an autonomous body of U.G.C, Govt. of India consecutively for two accreditation cycles (CGPA-3.04 in cycle-I and CGPA-3.30 in cycle-II).

The college has contributed a lot to this area by producing thousands of professionally qualified male and female teachers. The college motto **“Man Neevan, Mat Uchi”** clearly reflects its goals and mission. The main aim of the college is to produce well-informed, skilled and effective teachers for secondary schools and Colleges of Education. Besides **producing ‘teachers’ for Secondary Schools, and ‘lecturers’ for Colleges of Education**, we are also producing **‘Principals’ for Colleges of Education**. It is interesting to note that more than 15 Colleges of Education in Punjab have Principals from this college. This college is also known as **“NURSERY OF PRINCIPALS”**.

Active research is the backbone of an educational institute. This college has been known as the renowned center of quality research. All the Staff members are Doctorate and majority of them are guiding research work at Doctorate and Post graduate level and are engrossed in academic activities of high esteem. The college is an institutional member of Council for Teacher Education (CTE) and life member of All India Association of Educational Research (AIAER).

Envisioning a global society, the college curriculum is imbued with a distinct international perspective, with this farsighted vision the college has achieved many milestones and has made a significant standing at National and International levels.

We encourage our prospective teachers to keep themselves abreast with changes taking place across the globe and prepare themselves for global citizenship.

MILESTONES ACHIEVED DURING THE SESSION

- **Mentor status to the college by NAAC**

It was a proud moment for the college on being selected by National Assessment and Accreditation Council (NAAC) as “**Mentor College**”. The college has now adopted 13 Degree and Educational colleges for mentoring them for NAAC Accreditation.

Concluding Thoughts:

I would like to conclude this remarkable journey of Session 2018-19 by expressing my sincere thanks to my versatile and committed academic team for their contributions to enhance the standards of this college. I also want to express my heartfelt gratitude to our Governing Council headed by S. Manjit Singh Gill, President and members of the Governing Council for extending their keen interest, support, encouragement and cooperation for the total upcoming and smooth running of this institution. I would also like to convey my whole hearted appreciation to the parents, alumni for their contribution to their Alma matter, teaching and administrative staff. I wish my students a great success in all their endeavors. In the end, I once again thank our Honourable Chief Guest and all esteemed guests for accepting our invitation and obliging us with their gracious presence.

In the words of Jean Piaget "The goal of education is not to increase the amount of knowledge but to create the possibilities for a child to invent and discover, to create men who are capable of doing new things". We have a great mission ahead and it is to help our students learn the right thing and enable them to manifest what they have learnt. This manifestation of perfection is possible if our minds and hearts are united in marching towards the goal we have set.

Let us continue our march and achieve our goals.

*Reach high, for stars lie hidden in your soul.
Dream deep, for every dream leads the goal.*

Thank You
