To Whom It May Concern

This is to certify that GHG Khalsa College of Education, Guruser Sadhar (Mentor College) organized various offline and online programs under UGC-Paramarsh Scheme for our college (Cordia College, Sanghol). The Mentor College team oriented our faculty for Assessment & Accreditation Process and Preparation (NAAC) throughout the mentoring program. Orientation sessions on 7 criteria were organized for understanding the nuances of the NAAC parameters. The Mentor college provided continuous support and motivation for NAAC preparation in this Covid pandemic too. During the preparation of our SSR, our various queries were resolved by the mentor college through face-to-face meetings, online discussion sessions through zoom, telephonic and Whatsapp conversation. As per our need, faculty development programs were organized through online mode (ZOOM) by the mentor college. Interaction sessions with NAAC representatives, NAAC assessors, experienced principals and subject experts were also organized through online mode. Various workshops and faculty development programs under UGC-Paramarsh were organized in collaboration with our college for capacity building of our faculty on different criteria of NAAC. Our college is in the process of preparing our Self Study Report. Documentation work and compilation of records is going on as suggested and guided by the mentor college. No doubt; Covid pandemic has delayed the process of accreditation and assessment but the faculty is all geared up to work dedicatedly with commitment to compile the Self Study Report by November 2021. The college is registered under HEI portal. We are really thankful to the mentor college and University Grant Commission for the Paramarsh scheme in enhancing the qualitative improvement of the mentee institution.

We will be looking forward to such mentorship programs in future too.
