SOCIAL RESPONSIBILITY OF A TEACHER

"Human existence depends upon compassion and curiosity leading to knowledge, but curiosity and knowledge without compassion is inhuman and compassion without curiosity and knowledge is ineffectual." --Victor Weisskopf, nuclear physicist (Shapiro, 2011).

- ❖ Socrates remarks that the purpose of education is to prepare citizens to participate in public affairs.
- ❖ Social responsibility of education is a process whereby the whole community transmits to the next generation appropriate values, traditions, skills and cultural norms.
- ❖ Social responsibility demands that a teacher not only cares about actual students; but also must understand and prepare them and show them how fit into future community.
- ❖ This precisely sums up the reason to have a Social Vision Club in the college.
- ❖ Through this club we intend to make our Future Teachers as Social Visionaries.

Constitution of the club

Social vision club comprises of the humanities group, all the pupil teachers having Social Studies, Economics, History and Commerce as teaching subjects. This club stays active throughout the session and organizes numerous activities.
