## Day 7: 17th July, 2024

### Code of Conduct- Dr. Manu Chadha

A comprehensive lecture on the Code of Conduct, aimed at enriching the ethical and professional standards among faculty members was conducted on the concluding day of the Faculty Development Program. The session was chaired by Dr. Manu Chadha, Incharge IQAC Cell of the College. The lecture was attended by both academic and administrative staff of the College. Dr. Manu Chadha made the participants familiarize with the institution's Code of Conduct and emphasized the importance of maintaining professional ethics and integrity in academia. She encouraged the participants to maintain a culture of mutual respect and collaboration within the institution. The lecture on the Code of Conduct was a significant component of the Faculty Development Program, reinforcing the importance of ethical behavior and professional integrity. The session not only educated faculty members about the institution's expectations but also inspired them to uphold these values, contributing to a harmonious and productive academic environment.

### Outcomes

As a result of the **FDP for Non-Teaching Staff:**

1. Participants gained proficiency in accessing and using the ERP system, leading to more efficient and organized operations within the college.
2. Participants developed a deeper understanding of online threats and are now equipped with strategies to protect themselves and the institution from fraud.
3. Participants improved their financial management skills and learned best practices for maintaining office records.
4. Participants became well-informed about the ESIC scheme and its benefits, helping them take advantage of available social security measures.
5. Participants acquired essential first aid skills, enabling them to provide immediate assistance during emergencies, contributing to campus safety.
6. Participants embraced healthier lifestyles by incorporating yoga and herbal remedies into their routines, promoting both physical and mental well-being.
7. Participants understood the significance of adhering to the institution's code of conduct, fostering an ethical and respectful work environment.

## Conclusion

The **FDP for Non-Teaching Staff** at GHG Khalsa College of Education proved highly effective in enhancing the participants' skills, strengthening their ethical understanding, and promoting holistic well-being. The program addressed key areas like administrative efficiency, financial management, health practices, and professional integrity, empowering staff to carry out their duties with improved capability and confidence. Additionally, it fostered a culture of collaboration and responsibility, helping to build a more cohesive and supportive work environment. With these enhanced competencies, the non-teaching staff are now better positioned to support the institution's mission while also advancing their personal and professional growth. This initiative has successfully paved the way for a more engaged, skilled, and future-ready workforce.

## Report on Dr. D. R. Vij Memorial Lecture-2

### Introduction

The Council for Teacher Education Foundation (CTEF) of Punjab and Chandigarh, in collaboration with CTEF Jammu, Khalsa College of Education, GT Road, Amritsar, and GHG Khalsa College of Education, Gurusar Sadhar, organized the second Dr. D. R. Vij Memorial Lecture. The event took place on July 20, 2024, from 5:00 PM to 6:00 PM.

### Speaker

The distinguished speaker for the event was Dr. Sneh Bansal from the Department of Education of Groups with Special Needs (DEGSN), National Council of Educational Research and Training (NCERT), New Delhi.

### Topic: Student Diversity and Inclusive Education

Dr. Sneh Bansal delivered a comprehensive and enlightening lecture on "Student Diversity and Inclusive Education." The lecture covered several critical aspects of inclusive education, emphasizing the importance of accommodating the diverse needs of all students in the classroom.

### Key Points Covered:

#### 1. Understanding Diversity:

- Dr. Bansal began by defining student diversity, highlighting the various dimensions including cultural, linguistic, socio-economic, and ability differences among students.
- She emphasized the need for educators to recognize and value these differences to create an inclusive classroom environment.

#### 2. Challenges in Inclusive Education:

- Dr. Bansal identified the common challenges faced by educators in implementing inclusive education practices, such as lack of resources, inadequate teacher training, and resistance to change.
- She provided practical solutions and strategies to overcome these challenges, including professional development for teachers and collaboration with special education experts.

#### 3. Strategies for Inclusion:

- The lecture included detailed strategies for fostering inclusivity in the classroom. Dr. Bansal discussed differentiated instruction, which involves tailoring teaching methods and materials to meet the diverse needs of students.
- She also highlighted the importance of creating a supportive classroom environment that encourages all students to participate and thrive.

#### 4. Role of Technology:

- Dr. Bansal spoke about the role of technology in inclusive education, showcasing various assistive technologies that can support students with special needs.
- She shared examples of successful implementation of these technologies in classrooms and how they have positively impacted student learning.

#### 5. Policy and Advocacy:

- The lecture also covered the role of educational policies in promoting inclusive education. Dr. Bansal emphasized the need for strong advocacy and policy support to ensure that inclusive practices are effectively implemented at all levels of education.

## **Report on Teej Celebrations at GHG Khalsa College of Education**

**Date:** July 30–31, 2024

**Venue:** GHG Khalsa College of Education Campus

**Organizing Committee:** Cultural Committee

**Members:** Dr. Jasleen Kaur, Dr. Rachhpal Singh, Dr. Jagjit Singh, Dr. Ramandeep Kaur

**Stewardship:** Principal Dr. Pargat Singh Garcha

The Teej celebrations at GHG Khalsa College of Education commenced on July 30, 2024, with a vibrant Henna stall organized by Gurdeep Kaur and Simran Kaur of B.Ed Semester 3. The stall was a delightful prelude to the main event, as staff and students adorned their hands with beautiful mehndi designs. Henna holds significant cultural value during Teej, symbolizing joy, prosperity, and the auspiciousness of the festival. It is a traditional practice for women to apply henna as part of the festivities, enhancing the beauty and spirit of the celebration.

The main Teej celebration took place on July 31, 2024, and was a vibrant display of tradition and cultural heritage. Organized by the college's Cultural Committee, comprising Dr. Jasleen Kaur, Dr. Rachhpal Singh, Dr. Jagjit Singh, and Dr. Ramandeep Kaur, under the able guidance of Principal Dr. Pargat Singh Garcha, the event was a memorable occasion for all.

The celebration began with a soulful rendition of the College Shabad by Arshnoor Singh, Imran, and their team, seeking the blessings of God. This was followed by a graceful dance performance by Manpreet that enthralled the audience. Sukhmeet then delivered an insightful speech highlighting the significance of Teej in Punjab. The program continued with a melodious song by Jashan, an energetic group dance by Kanupriya and her team, and a traditional Tappe performance by Reetu and Jashan, which brought the essence of Punjabi folk music to life. Sukhmeet returned to the stage with another stunning dance performance, and Reetu concluded the cultural performances with a beautiful song. The stage was skillfully hosted by Kirandeep Kaur from B.Ed Semester 3, who added a vibrant flair to the event with her engaging and charismatic presentation.

Principal Dr. Pargat Singh Garcha addressed the pupil teachers, congratulating the participants and teachers for their efforts. He emphasized the importance of such cultural events in fostering organizational skills, which would be beneficial during their internships in schools. He highlighted how organizing and participating in these events help students develop confidence and leadership qualities. Dr. Jagjit Singh then delivered the vote of thanks, expressing gratitude to all participants, organizers, and attendees for making the event a success. The celebration concluded with the singing of the National Anthem, followed by a tea session where staff and students enjoyed traditional Punjabi sweets together.

Teej is a significant festival in Punjab, celebrating the onset of the monsoon season. It is a time when women adorn themselves in colorful traditional attire, sing folk songs, dance, and enjoy swings. The festival symbolizes marital bliss and the well-being of spouses. It is also an occasion for unmarried girls to pray for a good husband. The celebrations foster a sense of community, joy, and cultural preservation, reflecting the rich heritage of Punjab.

The Teej celebration at GHG Khalsa College of Education was not just a cultural event but also a learning experience for the pupil teachers. It provided them with a platform to exhibit their talents and an opportunity to understand the importance of organizing and participating in cultural events, which is a vital aspect of their future roles as educators.
