Webinar on Intellectual Property Rights (21.03.2021)

College organized a webinar on the theme Intellectual Property Rights on March 21, 2021 in collaboration with the Mentee Colleges. Prof. Ramesh Chandra Panda, Dean, Research and Development Cell, Synergy Institute of Engineering and Technology, Dhenkanal, Odisha was the resource person on the occasion. The webinar was organized with an aim to bring awareness about the concept of Intellectual property rights in education among educationists, researchers and students.

Prof. Ramesh Chander through his deliberation provided a comprehensive view on the concept of Intellectual Property Rights. He discussed the basics of Intellectual property rights by giving various real life examples. He also encouraged the participants to engage in developing new concepts and products in order to bring quality in the field of education. A question - answer session was also held at the end of the webinar where participants got the chance to clear their doubts regarding the ways to protect their innovations. About 200 educationists, researchers and students participated in the webinar.

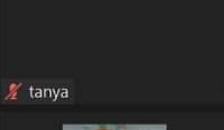

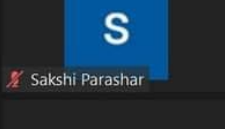

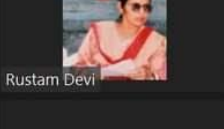

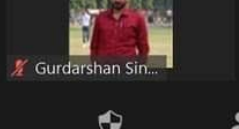

जगराओं के सुधार कालेज में वेबिनार करवाया, विद्यार्थियों को शिक्षा क्षेत्र में इंटरलैक्चुअल प्रापर्टी राइट्स बारे समझाया
